

Keeping You and Your Family Safe

Combining our expertise in stretch fabrics and technical knitting, Tricots Liesse adds to our innovative line of Sleep Solutions with *Flame Fence* fire retardant panel and border fabrics.

Our *Flame Fence* fabric is created to ensure a comfortable, stylish and luxurious feel while helping you achieve 16 CFR 1633 compliance. This may eliminate or reduce the need for FR socks and other comfort-robbing flame barrier products.

Exceptional stretch and soft hand.

Single and Double Jacquard possibilities.

Range of fashion colors + stretch if required.

Reduce your overall costs and production times.

Tested in accordance with 16 CFR 1633 on 12" cores with 4" memory foam topper. Your results may vary.

Please call our specialist for more information about the fresh and exciting new textiles and our broad range of capabilities.
